Our School

We believe our school is a place where every child feels special and loved by God for who they are and we that every child leaves us feeling they have something unique and special to offer the world in which they grow up.

We have an excellent team of staff who all care for the children as if they were their own. There is a genuine concern that every child feels safe, valued and happy in school. Only then can they learn.

The emphasis is on excellence, excitement and challenge. Children are encouraged to become independent, creative learners who also respect and care for others. We welcome and celebrate the diverse beliefs and backgrounds of the children and ensure that developing their understanding of these is an implicit part of the everyday life of the school so that they can be a real part of building a peaceful future

We feel that Hope Hamilton is a family that eagerly welcomes new members and quickly makes them feel they belong. It is a place in which children are supported to grow and learn in God's love, whilst taking responsibility for and ownership of their learning.

Fiona Brooks | Headteacher

School Day

8.40am -
3.15pm

Wrap-Around Care

Hope Hamilton provides a breakfast and after-school club, which is run within the school premises.

Below are the timings of the clubs. Up-to-date fees can be found on our website.

Breakfast Club: 7.45am
Afterschool Club: 3.15-5.15pm
(various packages available for the after-school club)

Our school vision is to “Love one another as I have loved you”. *(John 15:12)*

Curriculum

Since the school opened, we have continued to develop a creative curriculum to make learning fun. An excellent curriculum with high quality teaching and learning has to be at the heart of an excellent school. Inclusion is at the heart of our ethos.

We believe the best way to ensure that every child achieves the highest possible standards is to provide exciting, engaging learning experiences whilst using our knowledge of each individual child’s attainment and progress, to tailor lessons to their specific needs and interests. We aim to develop in children the skills to think, learn and solve problems, to be creative and to work effectively with others.

“There is an ambitious curriculum that starts in the early years. For children in the Nursery and Reception Years, the curriculum sets the scene for the full range of subjects that come later. The classrooms and outdoor areas of the early years provision are attractive and well resourced. Children are prepared well for Year 1.” *Ofsted 2022*

Hot School Meals

Miquills has been chosen by Hope Hamilton Primary School to provide our children’s school dinners. All dishes are made from scratch in the school kitchen. They include a choice of protein rich main courses, fresh vitamin-packed vegetables and fruit, rice, jacket potatoes and pasta as well as tasty desserts, fresh fruit and yoghurt that will give your child energy to keep them going all day.

Free school meals are offered to all children in Foundation Stage and Years 1 and 2 under the Government’s Universal Infant Free School Meals programme and we provide Free School Meals to those on Pupil Premium. Children can also bring a packed lunch and a healthy breaktime snack from home.

“The school’s very inclusive ethos, the skilful way in which the teachers manage behaviour and the pupils’ very responsive results in a calm and very harmonious community”. *Ofsted*

Nursery/Pre School

We offer places from the age of three within the school. The current provision is for 3 days a week, for which the 15 hours of government funding is supported.

We partner with St George’s Nursery which sits within the grounds of our school. If you require additional days of childcare, we can support you and your family between the two settings where parents are eligible for 30 hours of funding.
